

# W 101

Product no.: T0056104699N

## Benefits

- › 100 W, 230 V
- › Complete with soldering tip CT6 E7 and safety rest
- › Magnastat controlled
- › For CT Soldering tips

### Technical Data

Active Tip heating element technology	---
Power Response heating element technology	---
Silver Line heating element technology	---
Voltage	230 V AC
Power	100 W
Tip range	CT6
Supply unit	---
WX-compatible	---
Temperature range °C	370°C
Temperature range °F	698°F
Heating time	tbd
Safety rest	---
Safety rest (optional)	---
Barrel	---
Integrated direct extraction	---
