

# MG100S Kit 2

Product no.: U-100-1055-ESDN

## Benefits

picture includes optional  
bench hanging bracket

## Technical Data

|                                  |                                                                                 |
|----------------------------------|---------------------------------------------------------------------------------|
| Dimensions L x W x H (mm)        | 460 x 210 x 610                                                                 |
| Dimensions L x W x H (inches)    | 18, 11 x 8, 26 x 24, 15                                                         |
| Weight (approx.) in kg           | 15                                                                              |
| Voltage                          | 110 - 240 V, 50/60 Hz                                                           |
| Power                            | 100 W                                                                           |
| Noise level (distance 1 m) dB(A) | < 52                                                                            |
| Max. vacuum                      | 2300 Pa                                                                         |
| Capacity m³/h                    | 140                                                                             |
| Pre-filter                       | ---                                                                             |
| Compact filter                   | Particle filter H13, Wide band gas filter (50 % Active carbon + 50 % Chemisorb) |
| Max. capacity                    | 1-2 workstations                                                                |
| RS232 interface (remote control) | ---                                                                             |
| USB port                         | ---                                                                             |
| WX-compatible                    | ---                                                                             |
|                                  |                                                                                 |
