

HAP 1 Set

Product no.: T0052711899N

Benefits

- › HAP1 Hot Air Pencil with WDH30 safety rest
- › For use with WAD and WR series rework stations
- › Finger switch on the handle controls the on / off function
- › Ideal for use with leaded and lead free solders
- › ESD Safe

Technical Data

Active Tip heating element technology	---
Power Response heating element technology	---
Silver Line heating element technology	---
Voltage	24 V
Power	100 W
Tip range	F, R, D, Q
Supply unit	PU WAD 101, WR 2, WR 3M, WR 3ME
WX-compatible	---
Temperature range °C	50 - 550
Temperature range °F	150 - 999
Heating time	---
Safety rest	WDH 30 (T0051515299)
Safety rest (optional)	WDH 30 (T0051515299)
Barrel	---
Integrated direct extraction	---
